VISION OF RK OLIMPIJA

Vision of the RK Olimpija is to demonstrate and prove that it is possible to play and act as a modern European club with our own handball school with developed team selection practice and with professional and realistic financial strategy, primarily **on the basis of love and desire to play handball.**

Handball is more than a sport or a word from the eight letters. It is the game to which you are committed every day of your life, it is way of living.

When you loose don't hang down your head but try harder next time. Never ask could we have played better. Always play as it is your last game and leave the heart on the playground.

POKAL ZA ZGODOVINO

Zmajčice so dosegle največji uspeh v zgodovini kluba in slovenskega rokometu, saj so kot prva slovenska ekipa v Sloveniji osvojile enega od evropskih pokalov. Pred 9000 gledalci, kar je po nekaterih podatkih največ v zgodovini ženskega rokometu, so zdržale vse pritiske in tekmo rutinirano pripeljale s potrebno razliko do konca.

Dvorano so organizatorji napolnili predvsem zato, ker so med ljubitelji rokometu izžrebali 100 vstopnic za finale nogometnega pokala prvakov v Münchnu med Borussia iz Dortmunda in Juventusom. Do vstopnic je drugače že nemogoče priti. Pritiska se zmajčice niso prestrašile, saj so z mirno igro že od prvih minut držale razliko in v 11. minuti celo povedle s 5:3. Omembe vredno razliko štirih zadetkov so si Nemke priigrale šele v zadnjih minutah prvega polčasa predvsem zaradi desetih izgubljenih žog Ljubljank v napadu, ki so jih igralkе Borussia kaznovala v protinapadih. Našim je za razliko od prve tekme precej težav povzročala krožna napadalka Michaela Erler, zadrževala je še Rasa Sulskyte, medtem ko

so Drăgănescujevo Olimpijine igralkе dobro ustavile. Nemke so večji del tekme igrale globoko obrambo, proti kateri so naše težko prihajale do strellov na gol. Večjo razliko je preprečila izvrstna vratarica Indira Botica, ki je že v tem delu igre nabrala devet obramb. Drugi polčas so domačice začele z delnim izidom 4:0 in si že v 34. minuti priigrale osem zadetkov prednosti. To prednost so dosegle še dvakrat, nato pa so na sceno spet stopile naše igralkе. Po znižanju na 23:19 Nemke niso več povedle z večjo prednostjo od štirih zadetkov. Irma Kapidžič je uspešno izvedla dva protinapada in že deset minut pred koncem je bilo bolj ali manj jasno, da z višjo razliko od osmih zadetkov Nemke ne morejo zmagati. V zadnjih minu-

tah sta dva zadetka prispevali še obe krili, najmlajša v naši vrsti Urška Nadižar in Marjeta Marton.

Indira Botica je tudi v drugem delu blestela in preprečila, da bi Nemke svojo prednost še bolj povečale. Po še eni uspešni obrambi ljubljanske vratarke in znaku sirene se je slavlje lahko začelo. Anja Frešer je odprla šampanjec, Olimpijine igralkе pa so si s solzami v očeh skočile v objem. Irma Kapidžič je visoko v zrak dvignila osvojeni pokal. Prvo lovoriko v zgodovini slovenskega rokometu. Slavlje se je nadaljevalo tudi vso pot domov.

Izjave po tekmi:

Pavel Cumakov - trener Robita Olimpije: "Punce so najbolj odigrale takrat, ko je bilo to najbolj potrebno. To je tudi najpomembnejše; zmagi se ne gleda v zobe."

Irma Kapidžič - kapetanka Robita Olimpije: "Še vedno nisem dojela, kaj se je zgodilo. Vem, da bi zdaj morala jokati, a ne morem. Verjetno se bom vsega zavedala naslednje jutro."

Nataša Mežek - igralka Robita Olimpije: "V peklu dortmundske dvorane je bilo težko igrati, a nam je vseeno uspelo. Tudi provokacijam smo se izognile. Dokazale smo, da smo v najtežjih trenutkih lahko zmagovalke."

Gusti Wilke - trener Borussia: "Pokal smo izgubili že na tekmi v Ljubljani. Naše igralkе so prežgodaj dosegle osem golov prednosti, pokazalo pa se je tudi, da imamo prekratko klop. Vseeno nisem nezadovoljen, saj je bil to pravi praznik ženskega rokometu."
